Helping our community grow

This newsletter is produced and printed by New Waltham Parish Council. Free copies are available while stocks last at New Waltham Post Office, Premier shop at Greenlands and Today shop in Peaks Lane or online at www.newwalthamparishcouncil.com
New Waltham Parish Council

Chairman
Cllr. Grahame Williams
grahame.williams@newwalthamparishcouncil.com
07970 907951

Vice-Chair
Cllr. Anne Baxter - 18 Sophia Avenue, Scartho

Elected Members
Cllr. George Baker - 405 Louth Road
Cllr. Roger Breed - 9 Janton Court
Cllr. Pat Simpson - 41 Peaks Lane

Co-opted Members
Cllr. Steve Keys - 294 Station Road
Cllr. David Raper - 17 Rutland Drive
Cllr. Dinsdale Shaw - TBA

Ward Councillors
Cllr. John Fenty - 07712 398656
Cllr. Stephen Harness - 07925 050706
Cllr. Stan Shreeve - 07702 343340

Member of Parliament
Martin Vickers - 01472 602325 for appointments

Parish Clerk
Mrs. Anneka Ottewell-Berrett

Telephone: 01472 822821
07944 654423

Email: clerk@newwalthamparishcouncil.com

Mail: New Waltham Community Hall,
St. Clements Way, New Waltham, DN36 4GU

Web: www.newwalthamparishcouncil.com

Facebook: @newwalthamparishcouncil

The Parish Office is open Monday to Thursday from 9.30am until midday.

On Friday the Parish Clerk will be available by appointment between 10am and midday and the Community Hall on St. Clements Way.

Notice of Parish Council Meetings

Please note that the next meetings of the New Waltham Parish Council will be as follows:

Wednesday 6th November 2019     7.00 pm        New Waltham Community Hall
Wednesday 4th December 2019     7.00 pm        New Waltham Community Hall
Wednesday 8th January 2020       7.00 pm        New Waltham Community Hall
Wednesday 5th February 2020      7.00 pm        New Waltham Community Hall

Agendas appear on the Website of the Parish Council approximately one week before each meeting.

The press and public are most welcome to attend the meetings and there is usually a public session held to give members of the public a chance to raise issues for discussion.
It Has Been a Long Time Since Our Last Newsletter……

Our last newsletter was published about 12 months ago for which we apologise, this was brought about due to many circumstances including loss of councillors and changes with the parish office.

As I write this article I have just taken a telephone call from a new mum who lives in our community, she has just taken her new baby for a walk with her new pram and was angry about the amount of dog mess down the footpath/cycle track that runs from the village hall to Peaks Parkway. We do have a great many of responsible dog owners in New Waltham but equally we have our fair share of irresponsible ones, this footpath is used throughout the week especially by children attending the academy and a minority are causing much distress. In conjunction with our Ward Councillors we will attempt to get NELC’s fido machine into New Waltham to clean up and will also request patrols by the enforcement team.

On a similar subject, we mostly choose to live in New Waltham because it is a nice place to live, we have three green spaces including the wildlife and nature area at Priors Green, the playing fields behind the pavilion at Greenlands and our beautiful village green all of which are regularly spoilt by dog mess and litter. Leaving this aside we have a lovely community with three high achieving schools, some great local shops providing very personal service, a top achieving doctor’s surgery as well as a hugely popular pub and restaurant. Our village is well connected with easy road links into Grimsby and Cleethorpes as well as a regular bus service. As the village grows (and it will) we will stretch our resources especially those provided by NELC, wouldn’t it help if when we cut our lawns we would cut the grass immediately outside on the verge and at the same time weed the gutter immediately outside our frontage.

NELC have recently replaced our litter bins with a larger version, we are currently working with them and looking at locations as we accept not all are in ideal locations. If you have one that particularly annoys you please advise our clerk either by telephone or email: clerk@newwalthamparishcouncil.com
Throughout this newsletter you will see dates for events, and we would warmly welcome your support at these events which include:

- 29th October – Kids Halloween disco party
- 10th November – Remembrance service
- 16th November – Christmas Fayre
- 8th December – Songs for Christmas
- 16th December – Community Carol service

Finally, the Parish Council currently has a number of vacancies – please contact our Parish Clerk if you are interested in joining the council.
Ward Councillors Notes

Ward councillors notes are not meant to be political in nature, but we cannot miss the opportunity to refer to the momentous result of the May local elections. Residents of Humberston and New Waltham turned out in large numbers and resoundingly re-elected Stan Shreeve, with the highest vote and the largest majority within the whole borough. The ward supported the vote for change. And what change. For the first time since its inception, North East Lincolnshire Council now has a Conservative administration. The result was notable nationally as well as regionally.

Your ward is strongly represented within the new administration, with Cllr John Fenty appointed deputy leader of North East Lincolnshire Council and Portfolio holder for Regeneration and Skills, Cllr Stan Shreeve portfolio holder for Finance and Resources, and Cllr Stephen Harness assuming Chair of Planning and deputy chair of Audit and Governance.

One of the first acts of the new administration was to pause the planned work on Tollbar roundabout and seek alternatives to the hugely controversial plans to install traffic lights. The first step is to be taken shortly with the introduction of a Toucan crossing to address safety concerns. Further initiatives are being considered which will enable the roundabout to be retained.

On to other matters, your councillors have secured flood alleviation measures for the footpath linking St Clements Way to Peaks Parkway and have lobbied regarding the state of our roads, gullies, drains and borders. Now something is being done. Gullies throughout the ward have been sprayed and as the weeds die off will be followed up by the road cleaning team. Additional grass cutting is also in place across NEL and appearance of the ward will benefit from this.

Traffic Regulation Orders are still under discussion and whilst New Waltham may withdraw from participation, there are a number of roads in the ward that need to be added to the exclusion list of any future scheme. It’s also worth noting that NEL are now extending powers to address littering, dog fouling and anti social behaviour, with instant fines of £100 for offenders. The enforcement teams will be borough wide and you can expect to see them around. Pride in our ward is important and this action will be seen as overdue by many residents.

The number of casual vacancies for New Waltham Parish councillors is a concern for all, but the recent leaflet delivered to all homes will hopefully bring candidates forward. Reader, you no doubt care about the parish, come along and be part of it. Make your voice count.

Finally, the Picnic on the Park took place in August, and was a resounding success. This event was one of a number taking place at your pavilion, and you are urged to check the upcoming schedule for more, including the not to be missed Halloween event.

We all mourn the passing of Harry Hall, long time Chair of neighbouring Humberston Parish Council, who died on 13th July after a battle against cancer. Our thoughts are with Christine and the family.

Your ward councillors are here to serve, do not hesitate to contact us, our details are:-

Cllr. John Fenty - 07712 398656
Cllr. Stephen Harness - 07925 050706
Cllr. Stan Shreeve - 07702 343340
New Waltham Parish Council
Vacancies for Parish Councillors

New Waltham Parish Council currently has a number of vacancies for Parish Councillors and are seeking eligible people to fill these vacancies by co-option.

By becoming a parish councillor, you become someone your community will look to for help, guidance and support – a community leader with the power to influence decisions for the benefit of the people you serve.

Seeing our community change for the better, as a result of decisions you have helped make, is something that can give you a sense of achievement and pride.

The best way to find out what it’s like to be a parish councillor is to talk to someone who’s doing it now. Go along to a parish council meeting, speak to one of the councillors and find out what they think of the role. Meetings are usually held on the first Wednesday of each month starting at 7pm and take place at New Waltham Community Hall on St. Clements Way.

We offer training for parish councillors; our training is normally provided by ERNLLCA (East Riding & Northern Lincolnshire Local Councils Association) who represent the vast majority of parish councils in our area.

For further details, please contact the Parish Clerk either by telephone on 01472 822821 or email clerk@newwalthamparishcouncil.com

To be eligible for co-option to become a parish councillor you must be:

• Be a citizen of another Member state of the European Union
• Be at least 18 years old
• Be an elector of the parish
• For the whole of the previous 12 months have occupied (as owner or tenant) land or other premises in the parish
• During the previous 12 months have worked in the parish (as your principal or only place of work)
• For the whole of the previous 12 months lived in the parish or within three miles of the parish boundary

If you do become a parish councillor, you will have to sign up to the Parish Council's Code of Conduct.

New Waltham Parish Council

Helping our community grow
Why I chose to become a Parish Councillor

My name is Dinsdale Shaw, I have just become a member of the New Waltham Parish Council. Let me introduce myself to you and explain my reasons for wanting to become a Parish Councillor.

I am a part time primary teacher - specialising in computing. I stepped down from a full-time teacher role a number of years ago to support my own family growing up and looking after my elderly mother. I have been teaching in the Grimsby and District area for 25 years.

About 6 years ago I became an officer for the teachers' union the NASUWT, and now run the local association and have achieved legal accreditation to be a caseworker for our members locally. This is a lay position and I use every free moment of time to support this... however, I had a little bit of time still free... hence joining the Parish Council! I should add I have a very understanding and supportive wife too!

I have lived in New Waltham for many years now, and really appreciate what we have here. Great shops/businesses, great schools and great people. I can walk my dog through the village and always get 'good mornings', 'hellos' and smiles from all ages. Not all villages have that! We are a friendly village. I like to help people and by joining the Parish Council I can see this being another way of doing this. I want the best for our village and want to have a voice. Being part of the Parish Council allows this. Being an active part of the community is important, and I hope that others will join us, and help to make decisions that shape our village and its amazing people.

New Waltham Now Has a Defibrillator

Last year it was agreed that the proceeds from our village day would be used to purchase a defibrillator for our community and we have now purchased the equipment from the British Heart Foundation with New Waltham Parish Council provided additional funds to purchase a secure cabinet which has been placed on the front wall of the Community Hall and Pavilion on St. Clements Way.

The location was chosen as we needed somewhere that was accessible 24 hours a day, seven days a week and fifty-two weeks a year with an electricity supply. In addition it was felt that with the level of physical activity that occurs at the pavilion such as football, BMX riding etc it was a suitable location.

East Midlands Ambulance Service (EMAS) have the access details and location to ensure that they can guide anyone who calls to this potentially live saving piece of equipment.

Over the coming weeks we will be running CPR training sessions in the Community Hall guided by the British Heart Foundation using their Call Push Rescue guide to CPR training.

Please look out for further updates on our website and Facebook page.
Remembrance – Sunday 10th November 2019

This year our act of Remembrance will commence at 11am at the War Memorial on the village green followed by a service in St. Matthews Church.

Peaks Avenue will be closed to all traffic between Holme Avenue and Anningson Lane between 10.30am and 11.30am. Furthermore, through traffic on Peaks Lane will be brought to a halt at 11.00am for the Remembrance silence.

A Few Facts About The Remembrance

Armistice Day is on 11 November and is also known as Remembrance Day. It marks the day World War One ended, at 11am on the 11th day of the 11th month, in 1918.

A two-minute silence is held at 11am to remember the people who have died in wars. There is also Remembrance Sunday every year, which falls on the second Sunday in November.

On this day, there are usually ceremonies at war memorials, cenotaphs and churches throughout the country, as well as abroad.

The Royal Family and top politicians gather at The Cenotaph in Whitehall, London, for a memorial service. The anniversary is used to remember all the people who have died in wars - not just World War One. This includes World War Two, the Falklands War, the Gulf War, and conflicts in Afghanistan and Iraq.

Why Do We Hold a Two Minute Silence?

The first two-minute silence in Britain was held on 11 November 1919, when King George V asked the public to observe a silence at 11am. This was one year after the end of World War One.

He made the request so "the thoughts of everyone may be concentrated on reverent remembrance of the glorious dead".
Roger’s Ramblings

Our allotments can be found in a lovely spot on Anningson Lane opposite the Methodist Chapel and we currently have two vacant plots.

Please contact either Roger Breed on 01472 813797 or the Parish Clerk on 01472 822821.

"growing your own is a fun, rewarding and healthy exercise even in the winter, it saves money and if the Prophets of Doom are to be believed, vegetables will be in short supply after, dare I say it, Brexit.

If anyone has a small shed that they do not want, scaffold planks or similar give us a call!

"it has been a funny year on the Plot, with parsnips taking over five months to appear, peas and French beans only about 6 to 9 inches tall yet cropping well, with some of the potatoes producing only one or two spuds. Brambles, raspberries, apples and tomatoes in abundance, hopefully we shall be harvesting beetroot, parsnips and carrots well into November and eating loads of leek and potato soup throughout the winter.

Wheelie Bins
There is no need for anyone to put up with a lidless or split wheelie bin, it only takes a telephone call 313131 and within a few working days, a man in a little truck will be around to repair or replace your bin and it is FREE. NELC can also supply extra recycling boxes or replace broken ones.

Grit Bins
There are several of these around the Village especially outside the Schools, the contents to be used for gritting the pavements not for personal use. The Litter Picker will check them throughout the winter, and they will be topped up when required.

Litter Picker
Our litter picker still works the same hours as when he started 25 years ago when New Waltham was considerably smaller than it is now. The Parish Council try their best to utilise his hours in an efficient way but if there are any "grot spots" in the village that need a bit of attention contact the Parish Clerk on 01472 822821

Connies Recipe for a Fruit Loaf
Makes 2 loaves

Ingredients
• ½ pound margarine
• 2 cups of sugar
• 1 cup of cold water
• 1lb of mixed fruit
• 4 cups of self-raising flour
• 2 beaten eggs

Method
1. Place margarine, sugar, cold water and mixed fruit in a saucepan. On a low heat cook slowly until sugar and margarine have dissolved and melted.
2. When this is done leave to cool.
3. When cool enough stir in flour and beaten eggs until all have come together.
4. Put in two 2lb loaf tins which are either greased or lined and cook in the middle of a pre heated oven Gas 2/150c/300f for approximately one and half hours.

BOOKING ESSENTIAL

New Waltham Parish Council

New Waltham Parish Council, working together to improve our community
Hello all.

As I write this Parish news entry, our half term holiday is 5 weeks away… So many events have already been held at our school including two highly successful residential visits, an Early Years ‘Supercalifragilisticexpialidocious’ Hook day for their project this term – Years 1 and 2 dressed up as animals for their project, ‘Can we make our wildlife happy?’, Year 3 and 4 ‘flew’ to Egypt and Years 5 and 6 explored a crime scene to introduce them to their project – ‘does the crime fit the punishment?’ We also had the official opening of our Cosy Club; (a room specific for supporting everyone who needs somewhere quiet to go) and our Indoor Sensory Area. Memories of these events listed plus lots of other learning can be seen on our Twitter feed. Please feel free to follow the updates! On the day we break up for half term we will be coming to school in any item of red clothing to support the scheme, Show Racism the Red Card. Next half term we have the Christmas shows to look forward to!

Before then though, we have an Open Day for Early Years planned for Tuesday November 5th for children who are due to start school September 2020. Please ring school to let us know if you would like to visit.

For the past two years I have stated that being part of a vibrant and happy community is important to us and in order to continue to foster our links, we would like to invite you all again to an event being held at St Mathews’ Church on 26th until 28th November (9:30am-3pm each day). The children’s learning in Year 3 and 4 this term is based upon the key question – ‘Ancient Egyptians - Fabulous or Foolish?’ - The focus is on modern day Egypt, reptiles native to the warm climate, as well as the traditional foods and over these three days, the children will be displaying their learning throughout the project. All are welcome to attend from the village.

Also, just a reminder that every Monday- 9:15am – 11am and Thursday 1:45pm – 3pm we have a Mother and Toddler Group (£2.00 per session including refreshments) run by a member of our Trackers Nursery. There are lots of activities planned and it is a great informal opportunity to experience early learning with your child, make some links with other parents and see NWA in action. Each week has a theme and information can be found on our Twitter feed.

Even though it is only November as you read this, I would like to take this opportunity to wish you a Merry Christmas and good health and happiness in 2020.

Mrs Jayne Perry
Headteacher
During August 2019 we have seen a rise in burglaries that have been reported in your area. Homes with no security measures in place are five times more likely to be burgled than those with simple security measures. Good window locks and strong deadlocks can make a big difference. Taking just a few steps can make a big difference in keeping your home safe from burglary.

**Here are a few tips:**

Lock your doors and windows every time you leave the house, even when you’re just out in the garden, remembering to double-lock UPVC doors (lift handle and turn key).

Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox).

Install a visual burglar alarm (as part of a suite of prevention measures - a burglar alarm on its own will not prevent entry to your home).

Install good outside lighting.

Get a trusted neighbour to keep an eye on your property.

Leave radios or lights in your house on a timer to make the property appear occupied.

Make sure the fences around your garden are in good condition.

Secure bikes at home by locking them to an immoveable object inside a locked shed or garage.

Keep ladders and tools stored away; don’t leave them outside where they could be used to break into your home.

Ensure side gates are locked to prevent access to the rear of the property.

Ensure rear fencing is in good repair.

Improve natural surveillance at the front of your property i.e. trim high hedges.

Mark your property with postcode and house number and register your property for free with immobilise.

Consider joining or forming a Neighbourhood Watch Scheme.

Remove valuables from view of ground floor windows.

Store any high value items (i.e. jewellery, passports) in a properly secured safe or bank vault.

**Doors and Windows**

In most burglaries, the criminals broke into the house or flat through the door, either by forcing the lock or kicking it in. So make sure your doors are strong and secure. Consider fitting a bar for extra strength; a locksmith can advise you on how best to do it.
Glass panels on doors are particularly vulnerable. If you have one on your door you could replace it with laminated glass, which is stronger. You can also buy a film in a DIY store that you can stick over the glass to make it harder to break.

Home security and DIY shops sell inexpensive, key-operated locks to fit most kinds of windows. Fit window locks with keys to all downstairs windows and those upstairs that are easy to reach.

Distraction Burglary
If you're not sure who is at your door, don't open it. Check the identity of the caller by calling the company they are claiming to be from i.e. gas, electricity, water and police. Use the telephone numbers listed in your local directory or provided independently by your service provider - Do not use any telephone numbers provided by the caller - they may be bogus. The 'Waterboard' no longer exists, it is an obsolete phrase used only by bogus callers.

Going Away on Holiday
Make your home look like someone is living in it:

- Use automatic timer-switches to turn your lights and radios on when it goes dark
- Cancel any newspaper or milk deliveries
- Use the Royal Mail’s 'keepsafe' service - they keep your mail for up to 2 months while you’re away. Mail sitting on your doorstep is a sign that you are away

- Trusted neighbours may be able to help you by collecting your post, opening and closing curtains and they could park their car on your driveway
- Avoid discussing holiday plans on public social networking sites - burglars can use any information you post on there to their advantage

A GOOD website to look at is www.police.uk and especially the 'Crime Map' as this will give you information about individual crimes near your postcode. Finally - if you see or hear anything suspiciously please report it on 101/999 or if you wish to remain anonymous you can provide the information via Crime Stoppers on 0800 555 111

Kind Regards
David Cave

In the last three years since being elected as the Humberside Police and Crime Commissioner I have worked with our Chief Constable to get our own finances in a much better state than I inherited. We have been forward-thinking and bucked the trend of other forces nationwide and recruited over 400 new police officers to the force, a substantial number of which have now completed their training and are on patrol. Community policing is once again at the heart of Humberside Police.

We have also invested resources in improving the call-handling of the force. The 101 service was forced onto policing and every force has struggled to make it work but locally it seemed to be near collapse and confidence in the ability to contact the local police was at an all-time low. Humberside Police now has one of the best, if not the best, 101 service in the country. It isn’t perfect, and the reality is that in a time of tight resources it will never be, but other forces are now trying to replicate what we have done locally as it is so much better than it was.

The force have now created pages where information about your neighbourhood team and their important messages can be found.

Communities are telling me they are seeing a difference in the force and its willingness to listen and react to community concerns. This is very welcome but I am under no illusion that things still need to improve further so that everyone can see and feel that difference. Work is ongoing to improve the investigation capacity of the force so people who commit offences are caught more often and there is a real deterrent and piece by piece Humberside Police is being rebuilt. This is good news but it will take time until the force is as good as it can be.

Humberside Police recently received its best ever report from the police Inspectorate. A real indication things are moving in the right direction after a period when many people thought the force was forever destined to be lagging behind others. It is now the place other forces visit to learn how to improve quickly and effectively. You have my commitment to ensure that improvement continues until everyone feels the difference.

Keith Hunter
Humberside Police and Crime Commissioner.
Village Day 2020 & 2021

Having rested our Village Day in 2019 it will return on Saturday 4th July 2020 and will be held on and around the village green during the day to be followed by a family disco party in the evening.

We would like to invite anyone interested in helping organise or support the day to a meeting which will be held at New Waltham Community Hall on St Clements Way at 7pm on Wednesday 22nd January 2020 – for more details please email grahame.williams@newwalthamparishcouncil.com

It 2021 it will be sixty years since the Parish of New Waltham was created having previously been part of the Parish of Waltham, now that’s a cause for celebration and a party. It is intended to hold a large-scale celebratory village day in 2021.

New Waltham Community Hall & Pavilion

The community hall is proving to be very popular for birthday parties and other celebrations as well as group activities including yoga, Pilates, baby ballet, Zumba and dance lessons. Hire rates are very reasonable.

If you would like to make a booking or have a look around please contact our Parish Clerk on 01472 822821 or email pavilion@newwalthamparishcouncil.com

Toll Bar Update

In May immediately after the local elections the new controlling group fulfilled their election pledge and paused the scheme to remove Toll Bar roundabout and replace it with a signal-controlled junction.

Safety has always been the primary concern of both New Waltham Parish Council and our Ward Councillors and we are all pleased to see that common-sense has prevailed and a Toucan crossing is to be installed on the northern leg during the October half term commencing on 21st October 2019.

The subject of Toll Bar remodelling first started in late 2013 and New Waltham Parish Council held a public meeting in St. Matthews Church in January 2014. The Parish Council attended many meetings and attempted to engage with the then Transport Minister, Chris Grayling, having taken things as far as they could legally the fight was taken up by Roger Breed and his group TOLL BAR ACTION GROUP 31-1-18. Roger and his supporters led a campaign to raise public awareness and challenged NELC and their design partners Engie. New Waltham Parish Council wish to recognise Roger and his group for their work which has ultimately resulted in the pause and the new crossing being installed.

It should be pointed out that the pause does not necessarily mean the end of the scheme due to a planning condition relating to the land opposite the academy which has planning permission for housing linked to the Toll Bar remodelling, we understand NELC are trying to address this with the land owners and developers. In the meantime, Roger says his banners and posters are only put away and not destroyed.

In addition to our services on Saturday 12th October we will be holding an Autumn Festival 2.00pm – 3.30pm This will take the form of Crafts and games with an autumn influence and the sale of autumnal produce. Cakes, pies, jams and chutneys. Any donations will be gratefully received. This will be followed by a short Harvest Service.

Our annual Community Carol singing with hot chocolate and mincepies will be held on Monday 16th December commencing outside at 6.30pm and then continuing inside at about 7.00pm All are Welcome to join this Village Event

We are continuing with our weekly Coffee Mornings, Saturday mornings 10.00am –12 noon, suggested donation of £2.00 for a drink and piece of homemade cake. Why not join us for a chat, and fellowship. Everybody Welcome. Why not bring a friend?

If you need information about services after December or any future events please check our notice board for details or contact one of the churchwardens.
Little Mince Pie Cakes
Makes 12 (easily doubled)
PREP 15 mins COOK 15-18 mins

Ingredients
• 175g/6oz self-raising flour
• 100g/4oz light muscovado sugar
• 1 tsp mixed spice
• 175g/6oz softened butter
• 3 eggs
• 2 tbsp milk
• About 140g/5oz mincemeat
• Icing sugar for dusting

Method
1. Heat oven to 190c/fan170c/gas 5. Line 12 bun tins with paper cases. Put the flour, sugar, spice, butter, eggs and milk into a mixing bowl and beat with an electric hand whisk or wooden spoon for 2-3 mins, until the mix is light and fluffy.

2. Put a spoonful of cake mix in each case, then a rounded teaspoon of mincemeat. Cover the mincemeat with a spoonful of cake mix and smooth.

3. Bake for 15-18 mins until golden brown and firm. Dust with icing sugar and serve warm or cold.

CCTV in New Waltham

I was recently asked if the CCTV in New Waltham worked? The answer is YES.

Our CCTV was paid for by the Police and Crime Commissioner and we have six cameras’, 4 are at the pavilion, one is in Farmhouse Mews and we have a moveable dome camera which is located on Station Road.

The system isn’t monitored but can be accessed for crime detection purposes by Humberside Police and New Waltham Parish Council.

New Waltham Academy and Trackers Nursery

OPEN DAYS:
Tuesday 5th November 2019
For parents of children due to start school or nursery in September 2019
Tours of the school will take place at 9:30am, 10:15am, 11:00am, 1:15pm, 2:00pm
Please attend at these times to look around the school

Does your child turn 5 between September 2020 and August 2021? If so you will need to choose a school for them by January 2020

Why not take the opportunity to see a ‘learning environment that is full of innovative, vibrant and stimulating experiences’ and where ‘children make excellent and rapid progress as a result of outstanding teaching’

Nursery places available for children from the term in which they turn 3.

Wrap around care available 7:30-6pm each day as well as holiday club.

Weekly parent and toddler group 9am-11am every Monday and 2:45pm-3:00pm every Thursday in the school hall.

OFSTED Inspection Jan 19
Senior Leadership are determined to provide all pupils with the right care, support and challenge to develop into confident, resilient, life-long learners. Parents and carers praised the school for the excellent work it does to develop the ‘whole child’

If you are unable to attend on the above date please telephone for an alternative appointment.
